

Heritage for Hope: Rehabilitation and Protection of Cultural Heritage in Palestine

Aya Tahhan
RIWAQ-Centre for Architectural Conservation

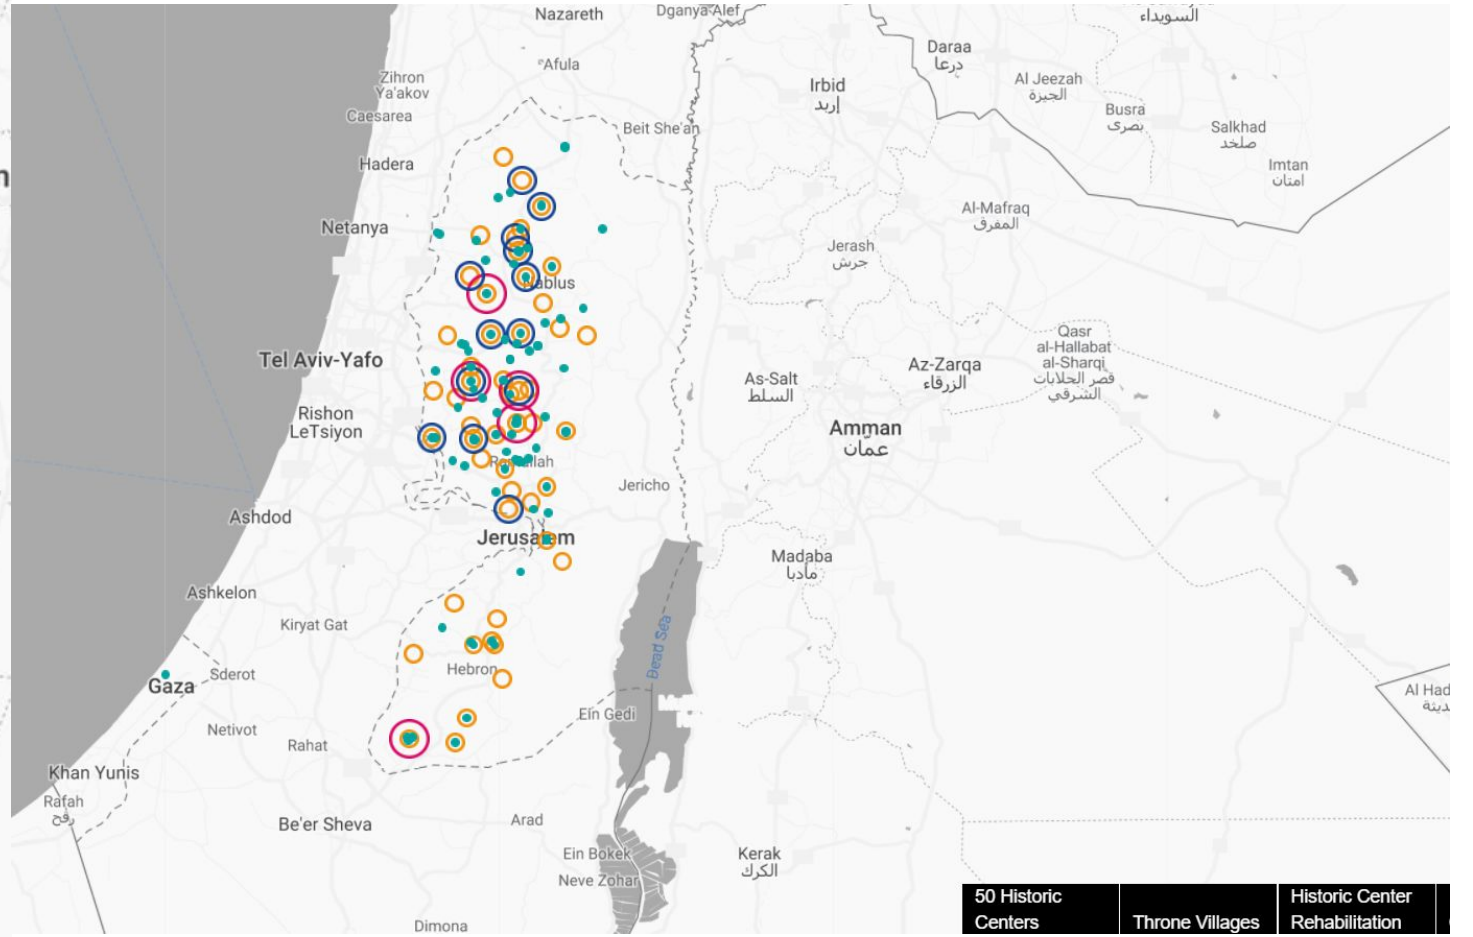

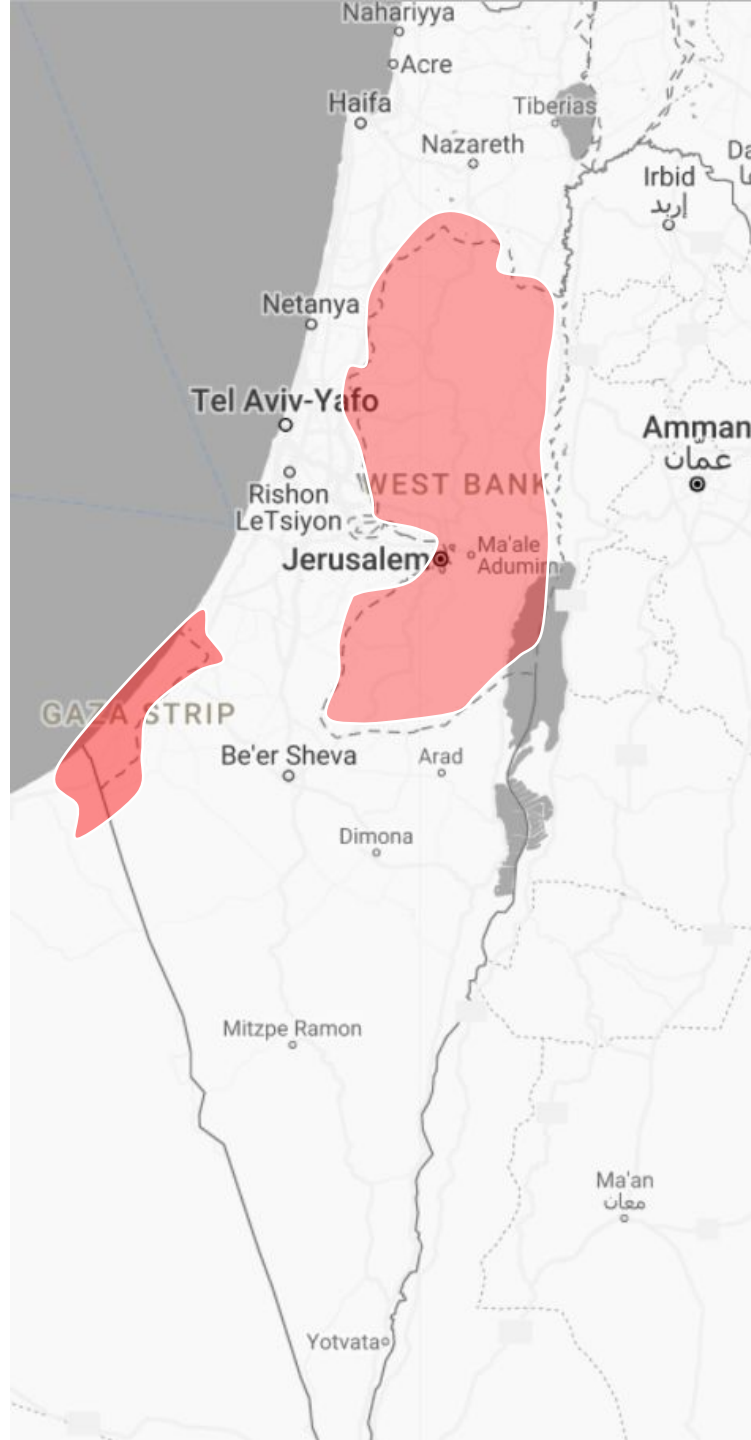

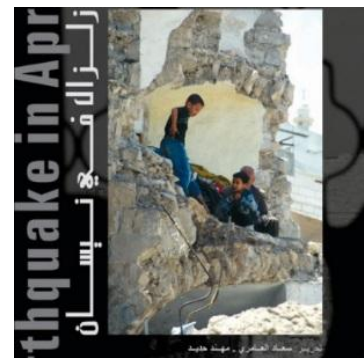

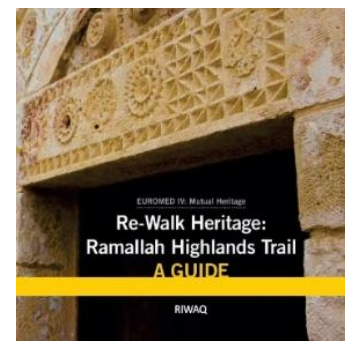

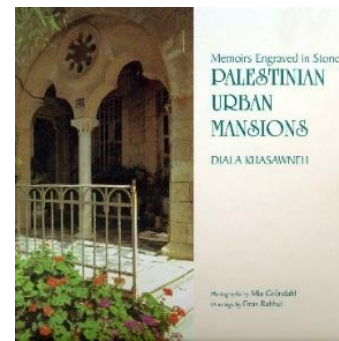

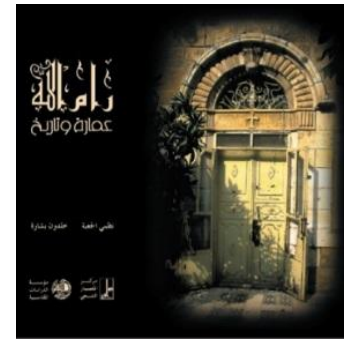

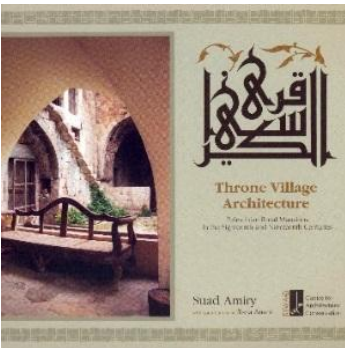

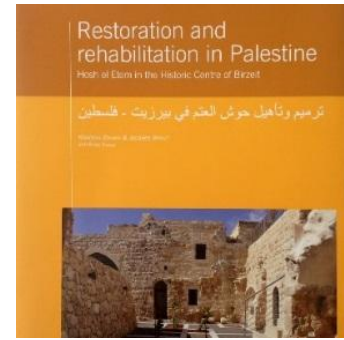

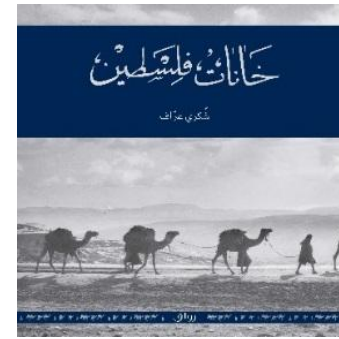

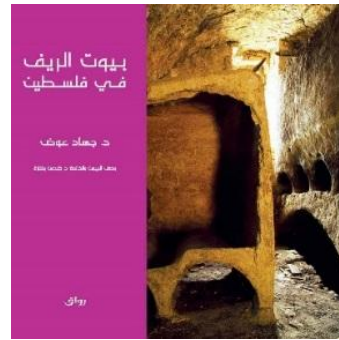

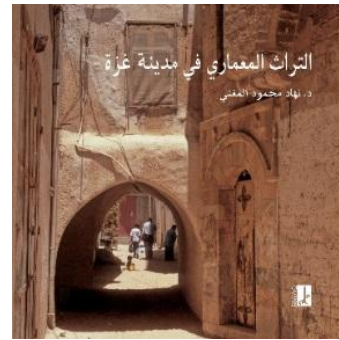

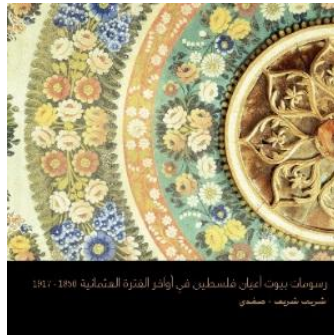

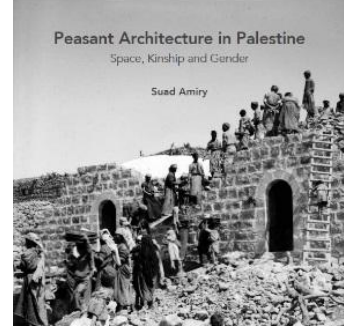

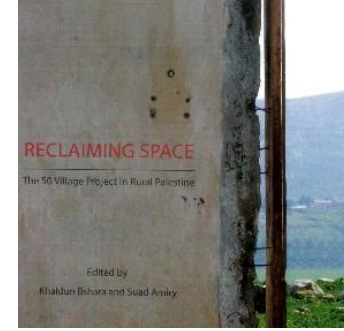

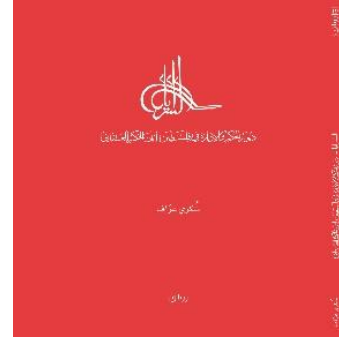

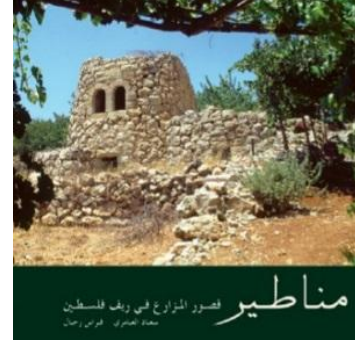

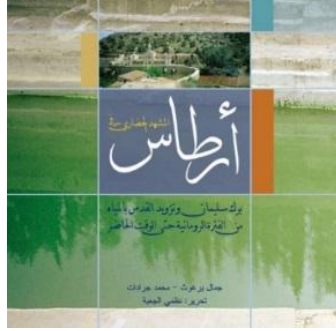

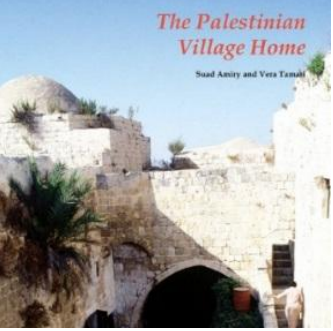

RIWAQ's Registry (1994-2006)

Between 1994-2004 RIWAQ registered all historic buildings in the West Bank, Jerusalem and Gaza. 50,320 buildings were registered in 422 villages, towns and cities.

<https://www.riswaq.org/riwaq-register/register-historic-buildings>

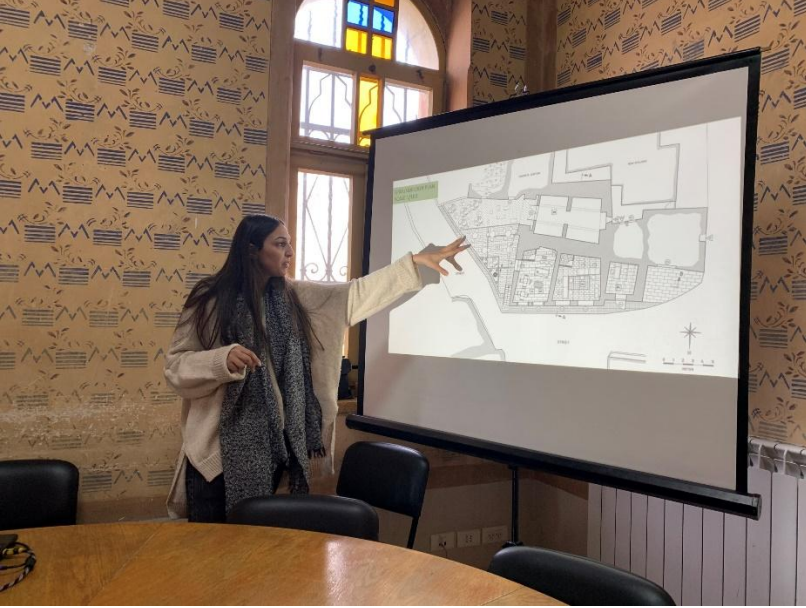

**Rehabilitation of 130+
historic buildings as
community centers**

- * Setting examples for adaptive reuse**
- * Job creation through conservation**
- * Capacity building on traditional Know How**
- * Creating alternative cultural infrastructure in the rural**

**Capacity building for over
500 architects and
engineers**
